- Entertainment you love, with a little help from Google

PHILIPS

4K Ambilight TV
164 cm (65") Ambilight TV Sound by Bowers & Wilkins, P5 AI picture engine, Google TV™

Highlights

Premium design

The virtually bezel-free screen and compact metal stand make it easy to position this smart-looking OLED+ TV, and our packaging uses recycled cardboard and paper. The slender remote features motion-activated backlighting and charges via USB-C.

Premium design

Slender remote with motion sensor and USB-C charging

IMAX Enhanced

Welcome to Hollywood! Your Philips OLED TV lets you experience the full impact of movies originally made to play in IMAX cinemas. Immerse in a far greater sense of scale. See more in every scene. Combined with Ambilight, you're in for a movie night to remember.

Dolby Vision and Dolby Atmos

With Dolby Vision and Dolby Atmos on board, your films, shows, and games look and sound incredible. See the picture the director wanted you to see no more disappointing scenes that are too dark to make out! Hear every word clearly. Experience sound effects like they're really happening around you.

OLED META panel technology

Bright OLED META panel. TV supports all major HDR formats

DTS Play-Fi compatible

Philips Wireless Home System with DTS Play-Fi lets you connect your TV to compatible

65OLED908/12

wireless speakers around your home in seconds. Listen to movies in the kitchen. Play music anywhere. You can even create a home-theater surround-sound system using your OLED+ Ambilight TV as a central speaker.

Epic gaming

Play without limits and immerse in OLEDs incredible realism! HDMI 2.1, a blazing-fast 120 Hz native refresh rate, and ultra-low input lag get the best out of next-gen gaming gear with fluid, responsive gameplay, super-smooth natural motion, and great-looking graphics. Ambilight's gaming mode brings even bigger thrills.

Google TV™

What do you want to watch? Google TV brings together movies, shows, and more, from across your apps and subscriptions-and organises them just for you. You'll get suggestions based on what you like, and you can even use the Google TV app on your phone to curate your watchlist on the go.
