

Efficient cleaning with smart, intuitive functions and guidance.

Luxe offers baskets with folding rows in a generous, height-adjustable loading space. It efficiently removes stubborn food residues with minimal water and energy use. Intuitive guidance and smart functions make cleaning your dishes easier than ever.

Produkteigenschaften

Flexible solution with splittable cutlery basket

Full loading flexibility with cutlery basket that splits in two to fit available space

Adjustable basket easily adds room where you need it

QuickLift easily creates more space in the upper or lower basket. Simply grasp the handle on both sides of the upper basket and slightly pull up to raise or lower the basket. Works smoothly even when it's full.

Double-rotating spray disk cleans from all directions

When we say spotless dishes, we actually mean it. With SatelliteClean® Pro's double-rotating spray disk, jets clean from every direction. Tested and verified to remove 100% of tough, baked-on food in only 90 minutes – without using extra water.

A light shines onto the floor to show the dishwasher is running

LightOnFloor® shines a white light onto the floor whilst a cycle is under way. The light turns off when the cycle is complete and the dishes are ready to be unloaded.

*Based on an independent test by third-party German institute using detergent tablets and 90 min cycle on casserole with lasagna residues.

Just select cycle time. No need to choose between programmes

An easier way to use your dishwasher. QuickSelect Connect display shows how energy use changes, depending on the cycle length. Move the slider to choose time, and see the energy graph change. Loading, program, and maintenance tips in the app.

- Vollintegrierter Geschirrspüler
- Anzahl Programme: 8
- Programme: 120 Minutes, QuickSelect 60min, QuickSelect 90min, Automatik, ECO, Maschinenreinigung, QuickSelect 30min, Vorspülen
- Optionen: GlassCare, ZoneClean
- Reinigungsprogramm
- Bedienung: Touch
- LCD-Display, 3Digit + EcoTime-Manager
- LCD-Display, 3Digit
- Endesignal
- Startzeitvorwahl
- Restzeitanzeige
- Salz- / Glänzeranzeige
- Elektronische Wasserhärteeinstellung
- Gleittürmontage
- Autom. Türöffnung nach Programmende: AirDry
- Für den Hocheinbau geeignet
- Warmwasserbetrieb
- AquaControl-Wasserschutzsystem
- Übertemperatursicherung
