

Efficient cleaning with smart, intuitive functions and guidance.

Luxe offers baskets with folding rows in a generous, height-adjustable loading space. It efficiently removes stubborn food residues with minimal water and energy use. Intuitive guidance and smart functions make cleaning your dishes easier than ever.

Produkteigenschaften
Flexible solution with splittable cutlery basket

Full loading flexibility with cutlery basket that splits in two to fit available space

Adjustable basket easily adds room where you need it

QuickLift easily creates more space in the upper or lower basket. Simply grasp the handle on both sides of the upper basket and slightly pull up to raise or lower the basket. Works smoothly even when it's full.

Double-rotating spray disk cleans from all directions

When we say spotless dishes, we actually mean it. With SatelliteClean® Pro's double-rotating spray disk, jets clean from every direction. Tested and verified to remove 100% of tough, baked-on food in only 90 minutes – without using extra water.

Effective, efficient cleaning using water only where needed

AquaSave is water system with spray arms that work individually, directing water where it's needed. The result is efficient cleaning with minimal water consumption - as low as 8.4 litres when using the ECO program.

*Based on an independent test by third-party German institute using detergent tablets and 90 min cycle on casserole with lasagna residues.

Uses fresh air to finish drying

AirDry uses fresh air to finish drying the dishes. This makes the drying performance up to 3x better compared to a closed-door system. The door automatically opens towards the end of the cycle to let in fresh air.

- Integrierter Geschirrspüler
- Anzahl Programme: 9
- Programme: 120 Minutes, QuickSelect 60min, QuickSelect 90min, Automatik, ECO, Maschinenreinigung, QuickSelect 30min, Vorspülen, Silent
- Optionen: Extra Silent, GlassCare, XtraPower, ZoneClean
- Reinigungsprogramm
- Bedienung: Kurzhubtasten
- LCD-Display, 3Digit
- Startzeitvorwahl
- Restzeitanzeige
- Salz- / Glänzeranzeige
- Elektronische Wasserhärteeinstellung
- Doppelauslenkscharnier
- Autom. Türöffnung nach Programmende: AirDry
- Für den Hocheinbau geeignet
- Warmwasserbetrieb
- AquaControl-Wasserschutzsystem
- Übertemperatursicherung
- Türfront nicht im Lieferumfang enthalten
